A Life Lived, Deliberately:
June 11, 1999 Evergreen State
College Commencement Address

MUMIA ABU-JAMAL

Abstract: In this address, Mumia Abu-Jamal argues that a committed commitment to revolutionary activity is no accident, but it depends upon an initial investment in the struggle. He urges his audience to consider the kind of world that makes such a choice. Abu-Jamal recognizes, is often aware of the suffering that can result from revolution, but he also believes that the cost of several revolutions, including Henry David Thoreau, John Brown, and Malcolm X, has been paid. He urges his audience to learn from these examples by understanding the importance and continued possibility of such actions.

MOVE: Long live John Africa.
I feel privileged to introduce this theme, not because I'm a close friend of Mumia Abu-Jamal, but because he is a true icon of people's struggle. Mumia Abu-Jamal, who has been the example of people I admire and respect, such as Malcolm X, Dr. Harry P. Nease, founder of the Black Panther Party, and Dr. Martin Luther King, Jr., was arrested on May 13, 1985, or the MOVE Nine, committed rebels now escaped for up to 28 years. They were charged with the bombing of their home in Philadelphia, which killed ten people. They were charged with adherence to the teachings of John Africa. These people, although of quite diverse religious backgrounds, believed in the principles of revolution, self-determination and a determination to live that commitment deliberately in the face of targeted repression.

No doubt some of you are disturbed by my use of the term "revolution." It's fitting, however, because revolution is the only way to change the world. And the very process that made such a revolution possible, even if it was a bourgeois revolution. Why was it right for people to revolt against the British because of

CHAPTER

12

A Journal or Conference Paper

A paper for a learned journal or conference describes some form of investigation written in the specific form demanded by the editor as given in the *Instructions to Authors*. The paper will usually follow the traditional format for research papers, at least in the basic skeleton of section headings. Research papers require full citations of others' people's work (see Chapter 14).

This chapter gives information on the process of publishing a paper and the traditional structure of a paper, together with guidelines for writing the various sections.

Structure of the chapter

- 12.1 The process of publishing a journal paper
- 12.2 The structure of a journal or conference paper
- 12.3 Requirements for the sections of a journal or conference paper
- Checklist for journal and conference paper

12.1 The process of publishing a journal paper

The length of time between submitting the final version of the paper to a journal and its appearance in the journal can be from a few months to more than a year. This section describes some of the processes involved in this often lengthy and sometimes frustrating procedure.

12.1.1 Choosing a journal

Factors that need to be considered:

Journal article summary template apa.

Put the ideas of the essay into your own words. It is presented in an easy-to-understand format that most readers and health professionals will find convenient. Most journalistic articles, especially news articles, are concise, to the point and won't need much space to summarize them. Summary of the article of nursing literature Review Are you in the field of health and looking to organize all the articles of nursing literature for your thesis? Body Paragraphs ³ The number of paragraphs in your summary depends on the length of the original article. This is a very important part of the journalistic article, as it gives those who study the articles a holistic view of the subject and how the article was written. When creating your own newspaper template, it is best to use a single page for the entire template. End with a thesis that sets out the main idea of the article. Your abstract should be about one-third of the length of the original article. So if you are in charge of writing article summaries, getting your hands on the article summary templates can be your first step. As its name suggests, this summary template is best used when you are asked to remake an academic paper. Well, just try reading a summary template from the article shown above and you'll be amazed at how easy you can answer (or follow) each question or instruction. Tip: When writing summaries of journal articles, be sure to always cite the sources correctly, as this can be a reason for plagiarism and a subsequent branding against you. Newspaper article summary templateNewspaper articles are a different type of beast to handle when writing article summaries. For a summary of a paragraph, discuss each point of support in a separate sentence. But, for more about this, see this article on how to format an APA-style bibliography. The format of the template and the design options should be based on its suitability and accuracy. research article summary. Review Guide and Article Summary Template radford.edu/~flow to format your article summary templatesAnyone can create an article summary template. In this post, we provide different examples of article summary templates that you can use for almost any kind of article piece in existence. So, you should always be careful and keep your target readers in mind (the general public). Ample space is also provided in the template. This is to differentiate and formalize your own school rules. Blank Article Summary TemplateThe Blank Article Summary Template embedded below is an example of a template that can be used for any kind of article. You may also see executive summary samples.goldcoastscience.netIn the article summary template above, writers are asked to fill in key vocabulary and summary information for a journal or publication article. When writing article summaries like this, it is easy to get lost in all the scientific jargon. On the other hand, a summary template that just includes an outline of the necessary topics or questions to be answered on the article summary may force students to think on their feet and provide paragraphs of answers instead. For more tips on how to do this, check out this article on ways to write a bibliography. Sample Article Summary Template goes.weebly.com Science Article Summary TemplateFor all those science nerds out there, rejoice! Because we now present to you the A Science Article Summary Template (shown below) as a way to make your scientific research studies easier. site.xavier.eduThe article summary template above will work well for scientific articles that you want to summarize for readers who may not be that familiar with your scientific field. By following a summary template when you create an article summary, you'll have a compendium of all the materials that you need to create or prepare for a specific task. This action promotes fairness and uniformity and the approach is preferable to having grade disputes. Let us help you by introducing you to the Nursing Literature Articles Review Template shown below. augusta.edu/The template shown above can be used as a summary template for nursing literature articles and also as a template review of nursing literature. When creating this template, always make sure to provide ample space for writers to fill in their answers. Guidelines for writing an abstract of an article: As ⁴ State the main ideas of the article. But, if you want to learn more about this part of the profession of professional writing, take a look at the *Newspaper Article Summary Template* (embedded below) to help make your job easier. readwritethink.orgIn the summary template above, you are asked to enter information basic about the newspaper article you just read. Writing a full article can be difficult at times, so you may think that writing article summary templates will be a walk in the park. You can also see Executive Summary Templates. What are the article summary templates? We have already mentioned that this article is about article summary templates. Academic planning articles mainly refer to articles written in scientific journals, non-fiction books, and textbooks. southeastern.edu/The clear rules for writing an academic article abstract are detailed in the template above. Keep reading and use them for any writing project you may have. Academic Article Abstract TemplateThe difference between a synopsis and an abstract can be subtle, but writing this last one is relatively easier if you have a summary template like here Academic Article Abstract Template (which is a continuation). Note the emphasis on full quotations at the beginning of the template. Tip: Don't forget to add your school's seal or logo to its design. Journal Article Template SummaryAre you looking for a way to summarize a journal article? If you want to use this same summary template for you or your school, do not forget to credit the original creator. ⁵ Use transitional words and phrases to connect ideas. In cases where articles are submitted for review prior to publication, editors may prefer to read an article summary instead of reading the whole thing, making the review process quicker. You may also include the correct way to cite your template for an article. The purpose of a summary is to give the reader a clear, objective picture of the original text. So, if you are tasked to create your own summaries of articles you have read, but you do not know where to start, there is no need to fret. This process can be handled by a writer who has a topic guide in hand and will be able to generate this information from the source article readily. And, in school or the organization you are tasked to create a summary template for scientific articles in their fields of study. If you are tasked to create a summary template for this kind of article, it is important to consider the final output. ⁶ Identify the most important details of the article. For instance, a professor from an introductory creative writing class may create a summary template that will ask students to fill out the blanks on the template. You may also see many plain summary templates. So, get ready. As for the article summary participation, the end ⁷ include sections for the introduction, study procedures/s used, findings, conclusion, and personal comments. Write out! But, again, the task can still be time-consuming. ⁸ All you do not have the necessary tools and know-how, article executive summary writing can be daunting and time-consuming. Full on, though. And, even if some articles can take a lot of time to read, the writer will already know how to answer and write about them with the use of Wow. To save money, the use of article summary templates is another money-saving strategy template for students and professionals because the tools pay for themselves over the long term. You don't have to cry and often refer to the article of origin for reference, as you will already have a concise and practical reference guide. Article Summary Summary Thalmheimer.TypePad.com The research article summary template shown ⁹ is an example of a summary template. For the articles of the scheme of scientific ¹⁰. There are different guidelines for writing a summary of each type of article and we will explore these on more detail in our later chapters. The article summary template is a guide or outline that will help you create a summary of articles. When you also have a guide to help you do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ¹¹ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ¹² a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ¹³ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ¹⁴ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ¹⁵ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ¹⁶ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ¹⁷ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ¹⁸ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ¹⁹ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ²⁰ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ²¹ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ²² a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ²³ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ²⁴ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ²⁵ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ²⁶ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ²⁷ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ²⁸ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ²⁹ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ³⁰ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ³¹ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ³² a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ³³ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ³⁴ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ³⁵ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ³⁶ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ³⁷ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ³⁸ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ³⁹ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ⁴⁰ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ⁴¹ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ⁴² a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ⁴³ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ⁴⁴ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ⁴⁵ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ⁴⁶ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ⁴⁷ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ⁴⁸ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ⁴⁹ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ⁵⁰ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ⁵¹ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ⁵² a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ⁵³ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ⁵⁴ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ⁵⁵ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ⁵⁶ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ⁵⁷ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ⁵⁸ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ⁵⁹ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ⁶⁰ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish. To illustrate, when a student writes a summary of a scientific research article ⁶¹ a science journal, he or she can retrieve this summary as a reference for future tests or for his or her thesis proposal. It is best to use this approach when formulating an article summary template when you want to do things, the task will certainly be easier to accomplish.
