

I'm not robot!

In the Japanese version, enter your name as B-G-M-Ki-Ta-i to access the Music Select screen. Mini-Games - Japanese sometimes when you go to the bar and accept a mission, you will get a book. You can use that book to play a small mini game. There are four books in all. Note: This advice only works in the Japanese version. Last invocation of the battle in the Holy Land of Myruond, go to the Wo-Jirius port. After a brief event you can enter the Dieve dungeon, and from the last floor of the only one you can learn the last call (equivalent to gentlemen of the round from ffvii.) Obtain cloud this council must be done during the Chapter four. It is not that you should have about six empty spaces on your formation screen before trying. Go to Zeltennia Castle and listen to the rumor called "Island of Carcod" buy an aeris flower in Zarghidas Trade City and then go to Goug Mlar Mlatro city with Mustadio. The screen will fade and go to a Mustadio, Ramza scene and a steel ball. Go to the bar in Goland Coal City and listen to the rumor of the "ghost of Colliery" after this, go to lesaly imperia and the screen must show a scene of a bar. When you go, invite Beowulf to join your party. Now that you have Beowulf, go to GOLAND COAL City and fight 4 battles here and save Reis. After saving Reis will obtain a Zodiac stone that will activate the steel ball. Return to Goug Machine City and add the robot to your party. Now that you have the robot, go to the Nelveska temple. They will fight another robot to kill him and receive a stone that will bring cloud to your world. Now he returns to Goug Machine City and will activate the medical of the time portal and suck cloud from the future bringing it to your world. Now see Zarghidas Trade City and save Cloud from thieves who are clicking Aeris. Note: If this part did not work, be sure that you matched Dycerag and his Zodiac Soul zodiacuoy roma tse eht piuge >pppppp
